Local Councils, Internal Drainage Boards and other Smaller Authorities in England Annual return for the year ended 31 March 2016

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. Smaller authorities must approve Section 1 before Section 2.
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Sections 1 and 2 of this annual return no later than 30 June 2016.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2016, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication or public display of Sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2016.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report

(Except for the matters reported below)* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. Audit Report for the year ended 31 March 2016**

Matters reported

Risk Assessment

We reported last year that the Council had not undertaken a risk assessment. This year they have answered 'No' to Assertion 5, and stated that a risk assessment has still not been carried out, however this was scheduled to be done in their June meeting.

A risk assessment should be performed at least annually and as a minimum, members should: -

- take steps to identify the key risks facing the Parish Council
- evaluate potential consequences to the Council if an event identified as a risk takes place; and
- decide upon appropriate measures to avoid, reduce or control the risk or its consequences. This might involve insurance or the implementation of internal controls.

More guidance on risk management can be found in the NALC / SLCC publication "Governance and Accountability for Local Councils – A Practitioners Guide (England)" at paragraphs 2.99 to 2.116.

The Council has not taken action on all matters raised in external audit. In our view the response to assertion 7 on Section 1 of the Annual Return should have been "No".
