After several attempts by the Chair to ask him to do so, he eventually did this.

10.1 Public Participation (matters relevant and on the agenda)

A resident discussed the recording of meetings and quoted various legislation, and asked for an explanation of why the meeting was cancelled on the 21st May. The Chair responded. The resident then left the meeting.

A further resident queried the recording of meetings as they had been to see the Monitoring Officer. He asked why the meeting had been recorded in November by the Chair. Cllr Duffy responded to say that the recording had been at the request of his wife (a then Parish Councillor) as she was taking notes in the Clerks absence. The resident further questioned that NSDC had no specific area for recording devices, which was confirmed to be incorrect. The resident then used expletives at Cllr Duffy. The Chair, said this would not be tolerated and he was asked to leave. This behaviour was evidenced by multiple pieces of recording equipment being used by a resident.

A resident enquired about the need for more bins on Sherwood Park and on Belle Vue Lane, CCTV at Sherwood Park, re-siting of the Parish Notice board, the allotments and available section 106 money, and the possibility of live streaming the meetings for those not unable to attend.

The Chair provided a brief response, and the Clerk to respond via email.
